planters

Why limit your style to the indoors? Mayne planters will transform your property into a personal retreat with outdoor flair.

Have the look of wood without the upkeep with our high-grade polyethylene planters. Our all-season polyethylene provides long-lasting beauty, durability and quality.

With less care required, you'll have more time to relax and enjoy your beautiful surroundings.

WATER RESERVOIR

Take the guesswork out of watering. Plant maintenance is a breeze with Mayne's Sub-Irrigation System. The built-in water reservoir encourages healthy plant growth by allowing plants to practically water themselves.

Wall mount brackets included, deck rail brackets are optional.

mail posts

Nothing creates curb appeal like a Mayne mail post. The timeless beauty of our maintenance free mail posts add a touch of charm and character to any yard. With eight styles and various colors to choose from, you'll have a hard time deciding on just one!

Our durable polyethylene mail posts require only an occasional rinse with a garden hose. With so little maintenance, you can sit back and wait for the mailman to arrive.

- All Mayne products made of high grade polyethylene.
- All products come with a 15 year limited warranty.
- Due to the porous nature of rotomolding technology, Mayne products (in particular the white products) may need power washing and possible light scrubbing with mild detergent to maintain a bright, clean finish.

A stone wall with climbing ivy and flowers. The wall is made of irregular, light-colored stones. The ivy is green with some yellowing leaves, and there are small red flowers. The background is a dark, reflective surface.
